CENTRAL OHIO CHAPTER

A Message From The President TOBIE SIMONDS 2010 PRESIDENT, NAIOP CENTRAL OH CHAPTER

2010 is well under way and NAIOP Central Ohio has held several great programs. January kicked off the year with our Economic Forecast; followed by February's visit with the Franklin County Auditor, together with tax attorneys and appraisers discussing the changes impacting the valuation of properties. Bricker & Eckler hosted A Six Pack for Breakfast in March and last month EMH&T educated members about numerous timely environmental issues.

Next week on Wednesday, May 12th, NAIOP and the Capital Crossroads Special Improvement District will present Life After Retail Chains, Taking Downtown to the Next Level and Parks & Recreation: the Next Season. That event has been approved for 1.5 Real Estate CE hours. You may register for all of our events online at www.CentralOhioNAIOP.org.

On June 10, NAIOP will hold our 12th Annual Golf Outing at NorthStar Golf Club. Proceeds from the event will support NAIOP Central Ohio's ongoing legislative advocacy efforts on the issues impacting the commercial development industry. NAIOP Central Ohio has been active in many legislative issues already in 2010, including Stream and Wetland Mitigation, Prevailing Wage, and Regulatory Reform, in general. Our legislative committee is committed to being a resource for developers, legislators and public officials needing information on the implications legislation, rules or policies may have on commercial development and economic development in Central Ohio.

The remainder of 2010 is planned with several educational and networking events, including Development 101, the Bus Tour and an update from the Ohio Department of Development.

If you are in the commercial development industry I urge you to attend one of our monthly events and consider joining our local chapter and committees to make a true impact to our industry.
