

## BRENDA PARKER, RA, LEED AP BD+C

Sr. Associate | Sr. Project Architect

Brenda Parker is a senior project architect at **The Columbus Architectural Studio**. She has over 17 years of experience working on a diverse portfolio that spans corporate office, sports, entertainment and multifamily projects. She is involved in all facets of her projects from initial programming and planning through owner occupancy. For the last 15 years Brenda has worked as a trusted design partner to many well known corporations, successfully leading programming, space planning and design for projects across the country.
